## Key Features...

Sleek design easily resides on any household counter top.

Durable carrying case makes for easy transport of the device for appointments or travel.

Pill storage boxes are detachable for a short-term supply of medications.

Access baskets aid in the delivery of medications from the device.

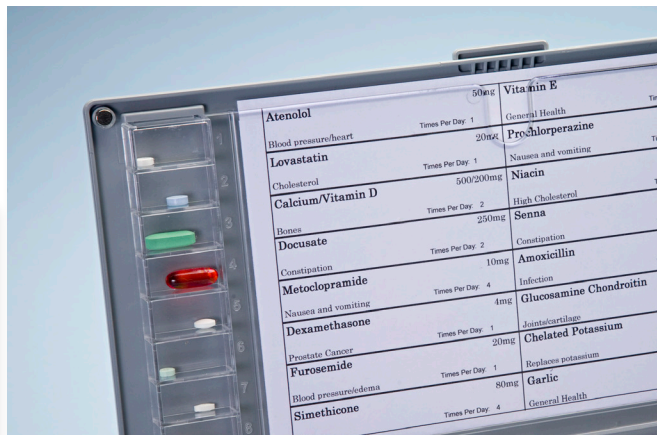

Unique built-in pill ID system helps patients recognize medications by name, dosing schedule & indication.

Receive visual & audio dosing alerts, along with optional electronic reminders via e-mail and text message.

Visual LED lighting system illuminates the exact compartment for each scheduled dose.

Missed dose notifications can be sent to loved ones and caregivers.

Allows medication adherence to be monitored remotely by loved ones, caregivers and healthcare professionals.

## MedFolio Cares Program: San Francisco Bay Area

### Initial Visit: \$200.00 - \$250.00\*

A pharmacist will visit you in your home to review and reconcile your medications. They will install the MedFolio Pillbox and fill a month's worth of your medications into the device. They will educate you and your caregivers on the use of the device. Recommendations may be made in an attempt to simplify your medication regimen and habits. Cost of device is included in program fees.

## Take the right dose at the right time!

### Monthly Home Visit (Plan A): \$120.00/mo\*\*

A pharmacist will call in refills to your pharmacy and pick up your prescriptions when they are ready. They will visit you in your home and refill your MedFolio Pillbox with a month's worth of your medications. Reminder phone calls provided if patient misses medication doses by over an hour. Technical support for the MedFolio Pillbox and daily remote programming/monitoring included in the monthly fee.

### Monthly Lease Option (Plan B):

MedFolio Wireless Pillbox: \$28.00/mo  
MedFolio Cellular Pillbox: \$35.00/mo

Patient or caregiver is responsible for calling in refills, picking up prescriptions, and filling the pillboxes. Remote programming support provided 24/7 if medications change during a doctor's visit or upon discharge. Technical support for the MedFolio Pillbox and daily remote monitoring included in the monthly fee.

\* Depends on visit duration

\*\* Additional fees may accrue if more than 2 home visits/month
